

STEP Model ARM3500

An Automatic Rotary Arm Wrapper, equipped with a Fastening System, a Toothed Crown that enables the machine to Rotate at a higher speed reinforced by Pillars and a 3rd Larger that stabilizes and supports the upper structure. Rotating Arm turns around the unstable load, heavy & high output demands, ensures stability and efficiency.

Features:

- Durable Design for its flexibility, durability and efficiency
- Control Panel is PLC and LCD Touch Screen for Control Panel
- Rotary arm transmission, sprocket
- Motorized Film Carriage
- Turning Arm with Soft Start/Stop and Variable Speed
- Powered film reel holder
- Compliance to CE Regulations

Options

- Special heights: 2.800 mm, 3.000 mm.
- Special turntables: Ø 2.400 mm, Ø 3.000 mm.

Accessories

- Top sheet dispenser TDM3500.
- Powered top platen.
- Pallets lift table.
- Security fencing 1,800 mm high with access door and anti-intrusion photocells input and output load included mutting

Versions

- Stainless Steel 430, 304.
- Explosion proof
- Subzero temperatures

Specifications	
Wrapping Type	Vertical
Max. Wrapping Height	Up to 2,400mm (including conveyor & pallet)
Pallet and Load Dimensions	1,200mm X 1,000mm (direction of feed 1,200mm)
Max. Weight	As required
Stretch Film outer diameter	240 ±250mm
Stretch Film inner diameter	76mm
Coil Height	500mm
Film Thickness	17-50µ
Max. Weight of Film	20 Kg
Wrapping Programs	Single, Double or Complete Cycle plus 10 Storable Programs
Variable Output	±50 pallets/hr
Electric Requirements	400V 3Ph 50Hz or Based on the Country of Destination
Installed Power	4.5 Kw
Degree of Isolation	IP 54
Compressed Air Infeed	6 bar
Compressed Air Consumption	350 l/cycle
Noise Level	70 dB (A)
STEP Item No.	43053500
Description of option	Item no. option
Special heights: 2.800 mm	43053500-100
Special heights: 3.000 mm	43053500-110
Special turntables: Ø 2.400 mm	43053500-120
Special turntables: Ø 3.000 mm	43053500-130
Stainless steel 304	43053500-140
Explosion proof	43053500-150
Subzero temperatures	43053500-160
Top sheet dispenser TDM3500	43053500-170
Powered top platen	43053500-180
Pallets lift table	43053500-190
Security fencing 1,800 mm high plus other features	43053500-200
